ADOPTION OF THE AGENDA

The agenda was adopted.

THE QUESTION CONCERNING HAITI

The PRESIDENT: The Security Council will now begin its consideration of the item on its agenda.

The Security Council is meeting in accordance with the understanding reached in its prior consultations.

Following consultations among members of the Security Council, I have been authorized to make the following statement on behalf of the Council:

"The Security Council is deeply concerned with the situation in Haiti and deeply deplores the events of 11 October 1993, when organized armed civilian groups ("attaches") threatened journalists and diplomats waiting to meet a contingent of the United Nations Mission in Haiti (UNMIH) dispatched pursuant to Security Council resolution 867 (1993). Moreover, the disturbance created by these armed groups, and a lack of dock personnel, prevented the landing in Port-au-Prince of the ship carrying the contingent. The Security Council considers it imperative that the Armed Forces of Haiti carry out their responsibilities to ensure that obstructions such as these to the safe and successful dispatch of UNMIH end immediately.

The Council reiterates, in accordance with its Presidential statement of 17 September 1993 (S/26460), that serious and consistent non-compliance with the Governors Island Agreement will prompt the Council to reinstate immediately those measures provided for in its resolution 841 (1993) appropriate to the situation, with particular emphasis on those measures aimed at those deemed responsible

(The President)

for this non-compliance. In that context, the Security Council requests the Secretary-General to report urgently to the Council whether the incidents of 11 October constitute such non-compliance by the Armed Forces of Haiti with the Governors Island Agreement.

"The Council looks forward to the Secretary-General's report and will closely monitor the situation in Haiti in the coming days."

This statement will be issued as a document of the Security Council under the symbol S/26567.

The Security Council has thus concluded the present stage of its consideration of the item on the agenda. The Security Council will remain seized of the matter.

The meeting rose at 6.45 p.m.
